HICKOK CENTER RECEIVES GRANT FOR NEW COMPUTERS

(ROCHESTER, NY) June 15, 2012– The Hickok Center for Brain Injury is pleased to announce that it is the recipient of a grant of \$3,945.00 from the Wayne County Community Endowment. This grant will fund the support of modernization of outdated computers at the Newark center location to enable the utilization of software specifically designed to assist brain injury survivors with memory retraining and other skill building activities.

The Wayne County Community Endowment consists of several funds established at Rochester Area Community Foundation for the benefit of residents of Wayne County. Each year, the Advisory Committee for the Wayne County Community Endowment accepts applications from a variety of organizations serving the charitable needs of the County. The Committee reviews and analyzes the requests and recommends worthy projects to the Board of Rochester Area Community Foundation. The Advisory Committee also encourages expanded philanthropy to meet the ongoing needs of the Wayne County Community.

For additional information on this grant, please contact Elaine Comarella, Chief Executive Officer at the Hickok Center at (585) 271-8640.

For additional information on the Wayne County Community Endowment, please contact Lori Banning at (585) 341-4357.

###

The Hickok Center for Brain Injury, with centers in Rochester and Newark, is a not for profit 501(c)(3) organization dedicated to brain injury survivors. The Hickok Center is a place where people with brain injuries can go to redevelop the skills they have lost, within the safety and support of people with similar experiences and professionals who understand their struggle. Members set their own goals, design their own programs and utilize our organization's staff in ways that are consistent with their own priorities toward independence and self-sufficiency. We invite you to visit www.hickokcenter.org for more information about both our locations.
